Student Class Notebook:

Each student will prepare a class notebook of assignment, with additions made and reviewed weekly.

Weekly additions will consist of:

1. A mechanical outline of the assigned section of the New Hampshire Confession.
2. A typed paraphrase of the section.
3. A study of the main biblical passage cited as a proof for that section. The study will be copies of the worksheets in McDill pages 83, 98, and 114.

Students add other assignments to their notebooks when they are due (i.e., chapter review in Chapell due March 24).
