Course Requirements:

Note: Students must submit all written assignments on the Moodle site for PM 631 prior to 6:00 p.m. on the assigned due date.
1. The course requires students to meet with an approved field supervisor (normally a pastor or other ministerial leader) for a minimum of 7 meetings throughout the duration of the course. Students should recommend a prospective supervisor no later than June 6, 2016. Once approved, the professor will provide the supervisor with an orientation packet that will help the supervisor understand the seminary’s expectations and direct his/her work with the student. Students can use the seminary catalog’s course description for PM 631 to provide some detail to prospective field supervisors. Students must provide the professor with the prospective supervisor’s contact information including email address.

2. The student should be prepared to lead an assigned section of the DiscipleWay introduction material on the first day of class. This material was presented on the first day of class for PM 514 and Ev 512. It will be repeated on the first day of PM 631. Be very familiar with Part 1 of Following the Model of Christ by Making Disciple Makers and material utilized during the introductory sessions of PM 514 and EV 512. The professor will assign parts of the presentation for students to present to students in PM 514 and EV 512. Note: the PowerPoint slide show used for the first day’s presentation will be available on the Moodle site. You will be expected to assist other students in filling-in-the-blanks of their notes in the Training Manual.

3. The student will lead a small group of students through the DiscipleWay 1.0 Bible Study discipline. Be prepared to lead the group according to the schedule (June 13, 2016).

4. The student will read the Phillips book and write a 1-2 page appraisal (i.e., evaluation) of the book that appraises its value for assisting disciple-makers in teaching disciples how to study the Bible. Due June 13, 2016

5. The student will lead and train a small group of students in evangelistic visitations using the DiscipleWay 5.0 Witnessing material. Be prepared to lead the group and discuss meaningful interaction with varied cultural contexts (social, ethnic, religious, economically, etc.). Among other skills, such interaction requires the abilities to think critically, communicate clearly, and demonstrate compassion.

Prepare three written reports (1-1&1/2 pages each) regarding three 5.0 training visits made during the course. Each report should include answers that evaluate the following three areas: (a) What did you/your team do well? (b) What could you have done better as a leader? (c) What did you learn about the Lordship of Christ, ministry in a multi- or cross-cultural settings, varied religious traditions, or varied social contexts? Due June 29, 2016

7. The student will complete all DiscipleWay 7.0 Leading lessons and participate in study of the lessons beginning June 16, 2016.

8. The student will take the course exams.

9. The student will read Sticky Church by Osborne and create a strategy for potential use in his or her local church that reflects Osborne’s idea of using devoting most energy and resources on keeping people rather than reaching them (pp. 13, 20). This should be at least 2 pages. Due July 12, 2016.

10. Prepare a list of imperatives/commands given by Christ to his disciples in the Gospel of Matthew. The list should (a) number passages, (b) include passage references, and (c) underline the command or phrase. It is not necessary to provide an entire verse if lengthy. Students are to prepare a one-page evaluation of this assignment appraising its value for local church ministry (Due July 12, 2016). The assignment is based upon the Great Commission, “teaching them to observe all that I commanded you.” What did Jesus command?
11. The student will prepare a self-reflection paper regarding his/her strengths and weaknesses for effective ministry per conversations with the field supervisor (5 pages). Due July 31, 2016.

12. The student will prepare a self-reflection paper regarding his/her potential for “successful” ministry and the role making disciple makers can play in that success per conversations with the field supervisor and experiences with DiscipleWay (5-8 pages). The paper must include sections that address what you learned about leading such as “What I did well,” “What I could have done better,” and “What did I learn in leading others in 1.0 and 5.0?” Due July 31, 2016.

Grading:
Grades will be determined based upon an average of scores from the assignments and testing: 15% from Phillips, Presentation, and Matthew Commands, 25% from final exam, 25% from self-reflection and supervised ministry, and 35% from 1.0, 5.0, 7.0, Sticky Church, and Mid-Term.

Changes may be made when announced during regularly scheduled class periods. See the Catalog for attendance and refund information. Absences and tardies will be used to determine grades according to the catalog. Assignments must be turned in on time to receive maximum credit earned (i.e., items turned in late will have a reduced grade). Please avoid dominating classroom discussion and answering cell phones or text messaging during class. Withdrawals must begin in and approved by the dean’s office.

Students are encouraged to exercise faith balanced with caution while participating and leading 5.0 OJT visitation. The utmost attention should be given to safety while traveling, approaching individuals, selecting locations to visit, etc. Visiting teams should clearly identify themselves when approaching prospects. They should be aware of how individuals might misinterpret the team’s presence as a threat and take precautions to prevent such misunderstanding. This is particularly true “late” at night and with individuals who may be alone or feel vulnerable.
Regarding Bible Study, be prepared to lead thorough Bible studies of 1.1 and 1.2. Brief studies may occur with 1.3, 1.4, and 1.5. These may spend most of the time covering the written sections of the book that explain each Bible study question. Highlight 1.6 and then allow students to essentially study and report to you the lesson on 1.7. Remember that the philosophy of the Bible Study discipline and all of DiscipleWay is to make disciple makers. You should be as concerned about how a disciple discovers an answer to questions as with the answer itself. For example, a disciple may know that Paul wrote 2 Timothy but lack the ability to explain how he knows or how to find out who wrote other books of the Bible. We’re teaching them about how to find answers.

Class will start at 8:30 most mornings. Dress should be comfortable and nice. That means no shorts. Coat, tie, nice dresses, are overdressed for the week. We will be visiting during the evangelism section so keep comfort in mind.
