PURPOSE OF THE SEMINARY

The purpose of the Seminary's divisions of undergraduate and graduate studies is to provide accredited undergraduate and graduate theological education for equipping individuals for Christ-centered service and leadership roles; to support the educational needs of the churches and agencies of the Baptist Missionary Association of America and other groups who share a like commitment to the authority of Scripture; and to serve as a resource center for critical thought and research in a context which nurtures the historical, doctrinal character of the churches of the Baptist Missionary Association of America.

GRADUATION 2019

ALUMNI ASSOCIATION MEETING 2019

HIGHLIGHTS OF HISTORY

On May 26, 1950, the Baptist Missionary Association of America voted to consider an invitation from the Baptist Missionary Association of Texas to make Jacksonville College Seminary a project of the national association. At its next annual meeting on March 14, 1951, the association selected a committee of five to investigate proposed locations for the founding of a national seminary.

Definite action was taken by the BMA of America on March 17, 1954, when a committee composed of D. N. Jackson, G. D. Kellar, J. W. Duggar, E. B. Jones and L. H. Raney was authorized to select twenty others to serve with them to draft and present at the next annual meeting a definite proposal of how and when to begin a seminary. The first trustees, elected on March 30, 1955, were granted authority to select a site, acquire property, secure a faculty, and solicit funds from the churches of the national association.

Jacksonville, Texas, was selected for the permanent location. Dr. J. M. Travis and William S. Gober gave ten acres of land for the seminary with an additional seven acres of adjacent land acquired at a later date. The groundbreaking ceremony was held on October 15, 1956, and all but the chapel of the new seminary complex was completed in time for the first classes to begin on September 8, 1957. Fifty-seven students from six states comprised the first class.

There were five faculty members and one secretary in the first year of school. Dr. Gerald D. Kellar served as president; Dr. W. J. Dorman, as dean; John W. Gregson, as registrar; Dr. D. N. Jackson and Harold Brunson as professors. The administrators also taught. Mrs. John W. Gregson was secretary and bookkeeper. Most of the first faculty had already been serving as the faculty of Jacksonville College Seminary, which by authorized arrangement was merged with the newly established national seminary. Dr. G. D. Kellar served as president from June 1956 to May 1967. Ground was broken for a new library on May 21, 1963 and the completed building was dedicated on February 18, 1964. It was named Keller Library in honor of the founding president.

Dr. John W. Gregson succeeded to the presidency in June 1967. On January 18, 1971, the seminary was granted associate membership in the Association of Theological Schools. In November 1971, Dr. Philip R. Bryan, dean since 1967, began serving as acting president.

Dr. John W. Duggar served as president from March 1973 to August 1983. A new library addition was begun in 1980 with the dedication and grand opening on February 17, 1981. The trustees named it the John W. Duggar Library Annex. It doubled the size of the library which now has holdings of more than 86,000 volumes. In December of 1982, the seminary was designated as a Candidate for Accreditation by the Committee on Standards and Reports of the Commission on Colleges of the Southern Association of Colleges and Schools.

Dr. Philip R. Bryan succeeded to the presidency in August 1983. In December 1986, accreditation was granted by the Commission on Colleges of the Southern Association of Colleges and Schools. Reaffirmation of accreditation was received in December 1991, December 2001, and December 2011. A major renovation campaign was initiated during the 1993-94 school year to repair and remodel student housing.

Dr. Charley Holmes has served as president since May 1999. In August 2003, the seminary received initial certification from the Arkansas Department of Higher Education to offer graduate theological education at an extension site on the campus of Central Baptist College in Conway, Arkansas. In 2011 the Arkansas extension site received accreditation from the Southern Association of Colleges and Schools and the Association of Theological Schools. *Earnestly Contending for the Faith: A Fifty-Year History of the Baptist Missionary Association Theological Seminary (1955-2005)* was prepared by Dr. John Gregson in 2006 in honor of the seminary's Golden Anniversary.

In January 2008, the seminary was granted accreditation by the Association of Theological Schools. Reaffirmation of accreditation was received in January 2011. The Roy L. Grimsley Building was dedicated on March 9, 2010. The building includes a library annex facility and a classroom with the ability to connect with students in classrooms around the world.

Progress has been made under every administration, and the seminary continues to grow in students, faculty, financial support, and outreach ministry to preachers, lay workers and churches of the Baptist Missionary Association of America and other Christian groups.

FACILITIES AND ACCOMMODATIONS

Buildings and Grounds

Baptist Missionary Association Theological Seminary is located on a beautifully landscaped seventeen-acre campus in the eastern section of the city of Jacksonville. The campus was a gift from two local business men: Dr. J. M. Travis, a physician, and W. S. Gober, who was in the insurance business. The campus is situated alongside a main highway on the outskirts of Jacksonville.

Dorman Memorial Chapel

Dorman Memorial Chapel constitutes the easternmost section of the main building. Designed in a reverential style, the setting is appropriate for the meditations which are conducted in the beautiful sanctuary. The exposed redwood beams, brick walls, and tinted windows are conducive to worship. The building has a seating capacity of four hundred, along with a spacious lobby. The chapel was formally dedicated on February 23, 1968 and named after Dr. W. J. Dorman, seminary dean from 1956-1967.

Classrooms

In addition to the chapel and administrative offices, the main building contains five well-planned classrooms. The Grimsley Building contains the National WMA classroom. Each room can accommodate up to thirty students. The rooms have been occasionally refurbished to keep them comfortable and up-to-date. Seminary students find it a joy to attend classes in such pleasant surroundings.

Gregson Center

The Gregson Center affords a wonderful place for formal and informal activity. A kitchen and dining area can accommodate gatherings of one hundred to one hundred and fifty people. Students and faculty members often gather in the center for informal discussions and relaxation. On May 19, 1980, it was named the Gregson Center in honor of Dr. John W. Gregson, second president of the seminary.

Kellar Library

The original library building was completed in 1963 with additional space, which doubled its size, constructed in 1980. It now houses more than 136,000 items (including more than 86,000 volumes). An excellent selection of books has been accumulated and continues to be expanded. In addition to seminary library facilities, the administration of Jacksonville College has graciously extended to the seminary the use of its library.

Grimsley Building

Completed in 2010, this building is located between the Kellar Library and the Gregson Center. It houses additional library space along with the National WMA classroom that is equipped to connect with students in classrooms across the world. Professors have used the classroom to communicate with missionaries, pastors, and students in other states, Asia, and Latin America.

Student Housing

Housing for seminary students is located on land adjoining the campus. Students who attend the seminary may live in comfortable quarters at a very affordable rental rate. The seminary has twelve single bedroom apartments and six two bedroom apartments along with limited multi-bedroom housing and a dorm-styled facility. Temporary housing is usually available on a nightly basis for commuting students.

DOCTRINAL STATEMENT

BAPTIST MISSIONARY ASSOCIATION OF AMERICA

GOD

There is one living and true God, the creator of the universe (Exod. 15:11; Isa. 45:11; Jer. 27:5). He is revealed in the unity of the Godhead as God the Father, God the Son, and God the Holy Spirit, who are equal in every divine perfection (Exod. 15:11; Matt. 28:19; II Cor. 13:14).

A. God the Father is the supreme ruler of the universe. He providentially directs the affairs of history according to the purposes of His grace (Gen. 1; Ps. 19:1; Ps. 104; Heb. 1:1-3).

B. God the Son is the Savior of the world. Born of the virgin Mary (Matt. 1:18; Luke 1:26-35), He declared His deity among men (John 1:14, 18; Matt. 9:6), died on the cross as the only sacrifice for sin (Phil. 2:6-11), arose bodily from the grave (Luke 24:6, 7, 24-26; I Cor. 15:3-6), and ascended back to the Father (Acts 1:9-11; Mark 16:19). He is at the right hand of the Father, interceding for believers (Rom. 8:34; Heb. 7:25) until He returns to rapture them from the world (Acts 1:11; I Thess. 4:16-18).

C. God the Holy Spirit is the manifest presence of deity. He convicts of sin (John 16:8-11) teaches spiritual truths according to the written Word (John 16:12-15), permanently indwells believers (Acts 5:32; John 14:16, 17, 20, 23), and confers on every believer at conversion the ability to render effective spiritual service (I Peter 4:10, 11).

THE SCRIPTURES

A. The Scriptures are God's inerrant revelation, complete in the Old and New Testaments, written by divinely inspired men as they were moved by the Holy Spirit (II Tim. 3:16; II Peter 1:21). Those men wrote not in words of human wisdom but in words taught by the Holy Spirit (I Cor. 2:13).

B. The Scriptures provide the standard for the believer's faith and practice (II Tim. 3:16, 17), reveal the principles by which God will judge all (Heb. 4:12; John 12:48), and express the true basis of Christian fellowship (Gal. 1:8, 9; II John 9-11).

CREATION

A. The World—God created all things for His own pleasure and glory, as revealed in the biblical account of creation (Gen. 1; Rev. 4:11; John 1:2, 3; Col. 1:16).

B. The Angels—God created an innumerable host of spirit beings called angels. Holy angels worship God and execute His will; while fallen angels serve Satan, seeking to hinder God's purposes (Col. 1:16; Luke 20:35, 36; Matt. 22:29, 30; Ps. 103:20; Jude 6).

C. Man—As the crowning work of His creation, God created humankind (male and female) in His own image (Ps. 8; Gen. 1:27; 2:7). Consequently, every person from conception is of inherent dignity and worth and merits the respect of all other persons (Ps. 51:5; 139:13-16; Gen. 9:6; Matt. 10:28-31; Jam. 3:9).

D. Marriage—God created marriage (Gen. 1:27-28; 2:23-24). Jesus Christ declared the Creator's intention for marriage to be the inseparable and exclusive union between a male and female (i.e. a natural man and a natural woman) (Matt. 19:4-6; Mark 10:6-9; Rom. 1:25-27). Marriage testifies of the union between Christ and the church (Eph. 5:31-32).

SATAN

Satan is a person rather than a personification of evil (John 8:44) and he with his demons opposes all that is true and godly by blinding the world to the gospel (II Cor. 4:3, 4), tempting saints to do evil (Eph. 6:11; I Peter 5:8), and warring against the Son of God (Gen. 3:15; Rev. 20:1-10).

DEPRAVITY

Although man was created in the image of God (Gen. 1:26; 2:17) he fell through sin and that image was marred (Rom. 5:12; James 3:9). In his unregenerate state, he is void of spiritual life, is under the influence of the devil, and lacks any power to save himself (Eph. 2:1-3; John 1:13). The sin nature has been transmitted to every member of the human race, the man Jesus Christ alone being excepted (Rom. 3:23; I Peter 2:22). Because of the sin nature, man possesses no divine life and is essentially and unchangeably depraved apart from divine grace (Rom. 3:10-19; Jer. 17:9).

SALVATION

A. The Meaning of Salvation—Salvation is the gracious work of God whereby He delivers undeserving sinners from sin and its results (Matt. 1:21; Eph. 2:8, 9). In justification He declares righteous all who put faith in Christ as Savior (Rom. 3:20-22), giving them freedom from condemnation, peace with God, and full assurance of future glorification (Rom. 3:24-26).

B. The Way of Salvation—Salvation is based wholly on the grace of God apart from works (Titus 3:5; Eph. 2:9). Anyone who will exercise repentance toward God and faith in the Lord Jesus Christ will be saved (Acts 16:30-32; Luke 24:47; Rom. 10:17).

C. The Provision of Salvation—Christ died for the sins of the whole world (John 1:29; 3:16; I John 2:1, 2). Through His blood, atonement is made without respect of persons (I Tim. 2:4-6). All sinners can be saved by this gracious provision (Heb. 2:9; John 3:18).

DIVINE SOVEREIGNTY AND HUMAN FREEDOM

God's sovereignty and man's freedom are two inseparable factors in the salvation experience (Eph. 2:4-6). The two Bible truths are in no way contradictory, but they are amazingly complementary in the great salvation so freely provided. God, in His sovereignty, purposed, planned and executed salvation in eternity; while man's freedom enables him to make a personal choice in time, either to receive this salvation and be saved, or to reject it and be damned (Eph. 1:9-12; 1:13, 14; John 1:12, 13).

SANCTIFICATION

All believers are set apart unto God (Heb. 10:12-14) at the time of their regeneration (I Cor. 6:11). They should grow in grace (II Peter 1:5-8) by allowing the Holy Spirit to apply God's Word to their lives (I Peter 2:2), conforming them to the principles of divine righteousness (Rom. 12:1, 2; I Thess. 4:3-7) and making them partakers of the holiness of God (II Cor. 7:1; I Peter 1:15, 16).

SECURITY

All believers are eternally secure in Jesus Christ (John 10:24-30; Rom. 8:35-39). They are born again (John 3:3-5; I John 5:1; I Peter 1:23), made new creatures in Christ (II Cor. 5:17; II Peter 1:4), and indwelt by the Holy Spirit (Rom. 8:9; I John 4:4), enabling their perseverance in good works (Eph. 2:10). A special providence watches over them (Rom. 8:28; I Cor. 10:13), and they are kept by the power of God (Phil. 1:6; 2:12, 13; I Peter 1:3-5; Heb. 13:5).

CHURCH

A. The Nature of the Church—A New Testament church is a local congregation (Acts 16:5; I Cor. 4:17) of baptized believers in Jesus Christ (Acts 2:41) who are united by covenant in belief of what God has revealed and in obedience to what He has commanded (Acts 2:41, 42).

B. The Autonomy of the Church—She acknowledges Jesus as her only Head (Eph. 5:23; Col. 1:18) and the Holy Bible as her only rule of faith and practice (Isa. 8:20; II Tim. 3:16, 17), governing

herself by democratic principles (Acts 6:1-6; I Cor. 5:1-5) under the oversight of her pastors (Acts 20:28; Heb. 13:7, 17, 24).

C. The Perpetuity of the Church—Instituted by Jesus during His personal ministry on earth (Matt. 16:18; Mark 3:13-19; John 1:35-51), true churches have continued to the present and will continue until Jesus returns (Matt. 16:18; 28:20).

D. The Ordinances of the Church—Her two ordinances are baptism and the Lord's Supper. Baptism is the immersion in water of a believer as a confession of his faith in Jesus Christ (Matt. 28:19; Rom. 6:4) and is prerequisite to church membership and participation in the Lord's Supper (Acts 2:41, 42). The Lord's Supper is the sacred sharing of the bread of communion and the cup of blessing by the assembled church (Acts 20:7) as a memorial to the crucified body and shed blood of Jesus Christ (Luke 22:19, 20; I Cor. 11:23-26). Both ordinances must be administered by the authority of a New Testament church (Matt. 28:18-20; I Cor. 11:23-26).

E. The Officers of the Church—Pastors and deacons are the permanent officers divinely ordained in a New Testament church (Phil. 1:1). Each church may select men of her choice to fill those offices under the leading of the Holy Spirit (Acts 6:1-6; 20:17, 18) according to the divinely given qualifications (I Tim. 3:1-13).

Pastors (elders, bishops) are authorized to oversee and teach the churches under the Lordship of Jesus Christ (Acts 20:28; Heb 13:7, 17, 24; I Peter 5:1-4). Each church is responsible to follow them as they follow Christ (I Cor. 11:1; I Thess. 1:6; Heb. 13:17) and to provide a livelihood for them that they might fulfill their ministries (I Tim 5:17, 18; Phil. 4:15-18). Pastors are equal in the service of God (Matt. 23:8-12).

Deacons (ministers, servants) are servants of the churches and assistants to the pastors, particularly in benevolent ministries. Each church may select her own deacons according to her needs, and no church is bound by the act of another church in that selection (Acts 6:1-6).

F. The Ministry of the Church—Her mission is evangelizing sinners by preaching the gospel (Matt. 28:19; Luke 24:45-47), baptizing those who believe (Acts 2:41; 8:12, 35-38), and maturing them by instruction (Matt. 28:20; Acts 2:42) and discipline (Matt. 18:17, 18; I Cor. 5:1-5).

G. The Fellowship of the Church—She is free to associate with true churches in furthering the faith (II Cor. 11:8; Phil 4:10, 15, 16) but is responsible to keep herself from those who hold doctrines or practices contrary to Holy Scripture (Gal. 1:8, 9; I John 2:19). In association with other churches, each church is equal and is the sole judge of the measure and method of her cooperation (Matt. 20:25-28). In all matters of polity and practice, the will of each church is final (Matt. 18:18).

CIVIL AUTHORITY

Human government was instituted by God to protect the innocent and punish the guilty. It is separate from the church, though both church and state exercise complementary ministries for the benefit of society (Matt. 22:21).

Christians should submit to the authority of the government under which they live, obeying all laws which do not contradict the laws of God, respecting officers of government, paying taxes, rendering military service, and praying for the welfare of the nation and its leaders (Rom. 13:1-7; I Peter 2:13, 17; I Tim. 2:1, 2). They should vote, hold office, and exercise influence to direct the nation after the principles of Holy Scripture.

Civil authority is not to interfere in matters of conscience or disturb the institutions of religion (Acts 4:18-20), but it should preserve for every citizen the free exercise of his religious convictions.

Churches should receive no subsidy from the government, but they should be exempt from taxation on property and money used for the common good through worship, education, or benevolence.

LAST THINGS

A. Return—Our risen Lord will return personally in bodily form to receive His redeemed unto Himself. His return is imminent (I Thess. 4:13-17; Rev. 22:20).

B. Resurrections—After Jesus returns, all of the dead will be raised bodily, each in his own order: the righteous dead in “the resurrection of life” and the wicked dead in “the resurrection of damnation” (John 5:24-29; I Cor. 15:20-28).

C. Judgments—Prior to the eternal state, God will judge everyone to confer rewards or to consign to punishment (Matt. 25:31-46; II Cor. 5:10; Rev. 20:11-15).

D. Eternal States—Heaven is the eternal home of the redeemed (John 14:1-3) who, in their glorified bodies (I Cor. 15:51-58), will live in the presence of God forever (I Thess. 4:17) in ultimate blessing (Rev. 21, 22).

Hell is the place of eternal punishment and suffering (Luke 16:19-31) for the devil, his angels (Matt. 25:41), and the unredeemed (Rev. 20:10-15).

ADDENDUM

NOTE: The following statements are not to be binding upon the churches already affiliated with this association, or to require adoption by churches petitioning this body for privilege of cooperation, or to be a test of fellowship between brethren or churches. However, they do express the preponderance of opinion among the churches of the Baptist Missionary Association of America.

1. We believe in the premillennial return of Christ to earth, after which He shall reign in peace upon the earth for a thousand years (Rev. 20:4-6).

2. We believe the Scriptures to teach two resurrections: the first of the righteous at Christ’s coming; the second of the wicked at the close of the thousand-year reign (I Thess. 4:13-17; Rev. 20:6, 12-15).

We endorse the New Hampshire Confession of Faith as a representative compendium of what Baptists have historically believed through the centuries. This confession was consulted and provided a pattern and guide for the formulation of these doctrinal statements. As there are several versions and editions, we refer particularly to the edition in J. E. Cobb’s Church Manual third edition, published by the Baptist Publications Committee of Texarkana, TX.

RESOLUTION ON ORDAINED MINISTRY

On April 26, 2006 the BMA of America adopted the following resolution, included here for clarification:

Whereas the Doctrinal Statement of the BMA of America, Section X, Item E, implies that the offices of ordained Pastor and Deacon are limited to men only and the majority of churches agree with that position, be it resolved that the messengers of the BMA of America, meeting in Mobile, Alabama April 24-26, 2006, declare that the proper, biblical, and intended interpretation of Section X, Item E, is that the offices of Pastor and Deacon are limited to men only.

SPIRITUAL ENRICHMENT

STUDENT ORGANIZATIONS

STUDENT SERVICES

I solemnly charge you in the presence of God and of Jesus Christ, who is to judge the living and the dead at his appearing and his kingdom: Preach the word; be ready in season and out of season; reprove, rebuke, exhort with great patience and doctrine.

—Paul

SPIRITUAL ENRICHMENT

Worship. The aim of the seminary is to foster an atmosphere that is conducive to devotion and consecration as well as high standards of learning. Worship is fundamental in the life and work of the seminary. Chapel services are normally held twice a week during regular semesters to provide opportunity for and encourage spiritual growth of students, faculty, and administrative personnel. Faculty and students gather for a service that is usually conducted by a visiting minister or layperson or faculty member. Students are occasionally invited to lead, finding this a challenge to their God-given abilities. Services are normally recorded and available through the Kellar Library and the Seminary's website.

Visiting Lecturers and Speakers. Students and guests are spiritually blessed by outstanding preachers and scholars in Baptist life come to proclaim the Word of God. Since 1968, Spiritual Emphasis Week has been held each spring and the Bible Lectures each fall. The spring lectures are designed for spiritual renewal and revival. The fall lectures, although inspirational in content, primarily aim to stimulate student discussion and dialogue. Spiritual Emphasis speakers are usually leading pastors from the Baptist Missionary Association of America, and the fall lecturers are outstanding Baptist scholars and educators.

Brand Lectures. Since 1987 the lectures delivered each spring during the first week of March (Spiritual Emphasis Week) have been designated as the Brand Lectures in recognition of the years of dedicated service rendered to the Lord and Associational Baptists by Dr. and Mrs. Ralph A. Brand of Hattiesburg, Mississippi. A permanent endowment was established in their names to provide funds for the lectures.

William Newton Paschal Memorial Bible Lectures. An endowment was established in 1984 in honor of William Newton Paschal (a veteran BMA preacher of Columbia County, Arkansas) by his daughters, Dessarine Paschal McNeill of Waldo, Arkansas, and Kathleen Paschal Fullenwider of Magnolia, Arkansas. Interest from this endowment funds the annual Bible lectures at BMA Seminary during the first week of October. The late Dr. Harold McNeill, Jr., a grandson of Paschal and BMA Seminary professor, was selected to bring the 1984 lectures.

Darby-Beal Lectures. In 2011 Wayne and Elaine Beal of Jacksonville, Texas, endowed the Darby/Beal Lectureship series in honor of Mrs. Beal's father and mother, Armen and Dorthy Darby. Bro. Darby was a life-long rancher in Cherokee County, Texas, and for many years was a faithful deacon at First Baptist Church of New Summerfield, Texas.

ALUMNI ASSOCIATION

The purpose of the seminary Alumni and Friends Association is to promote a unified fellowship among the Alumni family and Friends family, to foster the interests and advancement of BMA Seminary toward the achievement of training men and women for Christian ministry vocations to the glory of God by providing a means of communication through the Alumni Association Executive Council to the Seminary Administration and Board of Trustees in matters of mutual concern for maintaining the welfare of the Seminary and by assisting the seminary in achieving its planned goals and objectives.

SEMINARY PUBLICATIONS

Mission: World. The seminary publishes articles bimonthly in *Mission: World* magazine. Articles contain information related to the seminary's cooperative work with the Baptist Missionary Association of America family of ministries.

Other Publications. The seminary publishes a catalog for the benefit of prospective students. As a guideline to student life, a Student Handbook is published annually to supplement the catalog.

STUDENT ORGANIZATIONS

Student Council. The student body has its own organization, the Student Council. The council consists of representatives elected from the student body for the purpose of stimulating greater fellowship and spiritual growth among the students and to encourage active participation in student affairs.

Seminary Women's Auxiliary. The Seminary Women's Auxiliary consists of female students, the wives of students, and faculty members organized for the purpose of spiritual and social fellowship. The auxiliary meets periodically during the school year and presents various programs of interest.

Student Life Committee. The Student Life Committee is composed of the student body officers, the Seminary Women's Auxiliary officers and a faculty adviser. The committee is charged with promoting various areas of student life including social growth, awareness of community and campus projects, and physical fitness activities.

Religious Life Committee. The Religious Life Committee of the seminary is concerned with the personal and devotional spiritual life of the students. To foster this, occasional prayer meetings are conducted on campus. Students are encouraged to participate in chapel service, and to share special blessings in ministry with their peers. Each spring there is a Spiritual Emphasis Week in which an outstanding speaker is brought in to stimulate interest in spiritual renewal on campus.

STUDENT SERVICES

Placement Service. Students are helped in religious vocational employment and service through the office of the Director of Student Services. Consequently, many of the seminary students serve as pastors in churches in the Jacksonville area, sometimes to distances exceeding 100 miles from the seminary. At the same time the student is receiving academic training in the classroom, he can also be putting this training into practice.

Clinical Pastoral Education. The BMA Theological Seminary may grant academic credit to those students who complete the necessary units at a training center which is approved by the Association for Clinical Pastoral Education. In this ACPE program, students learn theory and gain experience in ministering to individuals in health care facilities, hospitals, or other similar settings. More information concerning this opportunity in clinical training may be obtained from the Seminary Dean.

Internship Training. Internship courses are offered in the fields of missions, pastoral theology, and religious education. Taken normally during the summer, these courses offer the student on-the-field training with competent pastors and missionaries.

Secular Employment. Some students supplement their resources by part-time or full-time secular work. The administration gladly renders assistance to students seeking employment. A number of businesses in the city of Jacksonville employ seminary students whenever openings occur.

ADMISSION REQUIREMENTS

Application: Anyone desiring admission to either seminary division must file application at least four weeks prior to registration (students who have not attended BMA Seminary in two years must also reapply).

Credentials to be presented include:

1. A completed application.
2. Three letters giving character recommendation.
3. Transcripts of work completed in other schools.¹
4. Statement of church approval.
5. Admission Questionnaire, Pre-study Assessment, and Spiritual Gift Inventory.²
6. Verification of vaccination against bacterial meningitis.³

Notes:

¹ Transcripts are not required for A.Div. applicants unless they have previously attended college(s).

² These assessments must be completed before or during the process of the first enrollment.

³ The verification form is required of all students. It includes details on proof of vaccination and appropriate exemption. This primarily applies to students attending classes on the main campus who are under the age of 22 at the time of enrollment.

Writing Proficiency. All students must demonstrate proficiency in writing and research. Prior academic work, entrance testing and/or previous research papers will be used in evaluating a student's ability. Students with deficiencies in English and grammar will be required to take a developmental English course at a local college. Students with deficiencies in research and writing will be required to take RE 314. With evidence of deficiency, the Dean may require any student to enroll in the RE 314 course. Undergraduate students may take RE 314 to earn elective credit toward their degree.

Computer Proficiency. All students must demonstrate a basic proficiency in the use of computers by passing either collegiate/seminary courses or a proficiency exam.

Previous Academic Training. Baptist Missionary Association Theological Seminary is primarily a finishing school for religious workers. The highest academic standards possible shall be maintained. Standards of the Association of Theological Schools and the Southern Association of Colleges and Schools Commission on Colleges limit the number of students who can be accepted from nonaccredited colleges.

English Proficiency. Prior to the issue of an I-20, applicants whose native language is not English must demonstrate a minimum composite score of 80 on the iBT Test of English as a Foreign Language (TOEFL). TOEFL® is a registered trademark of Educational Testing Service (ETS). This publication is not endorsed or approved by ETS. Find information about TOEFL at www.ets.org.

NONIMMIGRANT STUDENTS. This school is authorized under Federal law to enroll nonimmigrant students. In addition to general admission requirements, proof and guarantee of financial means of support (use I-134 or I-864 to verify \$15,500 annually) and a \$3,000 deposit (\$1,000 of which is non-refundable; \$2,000 to be used toward applicable student expenses as deemed necessary by the institution) are required of international students prior to the issue of an I-20. Students are responsible for complying with all U.S. immigration student visa requirements, including the I-901

fee. Forms are available at www.uscis.gov. Prospective students must submit a credential evaluator's report of international transcripts along with those international transcripts. Evaluators must be rated an "A" or higher by the Better Business Bureau (www.bbb.org).

UNDERGRADUATE ADMISSIONS

Associate of Divinity (A.Div.): Applicants for admission to the A.Div. degree program must be twenty-five (25) years of age or older and be capable of benefitting from the program of studies. As a rule, these applicants will be required to show proof of graduation from high school. Individuals who did not graduate from high school may be approved for admission by the Admissions Committee on a probationary basis. Capability is determined after the first semester of studies (the probationary period). Students who attain and maintain a minimum grade point average (2.0) are removed from probation and placed in good standing; otherwise, they are discontinued.

Bachelor of Arts in Religion: Applicants for admission to the Bachelor of Arts in Religion degree program must have completed a minimum of fifty (50) semester hours toward an Associate of Arts degree (or hold an A.A. or equivalent) at a regionally accredited college or university (or an institution not regionally accredited [SACSCOC, North Central, etc.] but recognized by regionally accredited colleges and universities in the state where it is located, or accredited by organizations recognized by the Council for Higher Education Association), with the provision that all deficiencies in the A.A. are completed before the bachelor's degree is conferred. Ordinarily they will be required to have a cumulative grade point average of 2.0 "C." All students must maintain a cumulative grade point average of 2.0 throughout the program. Students who do not have a 2.0 grade point average, but have completed 50 semester hours of studies toward the A.A., or have an A.A. degree (or equivalent), may be admitted by the Admissions Committee on a probationary basis. After one semester of studies, if students have not attained a 2.0 grade point average, they are discontinued.

Transfer: Applicants who meet the undergraduate admissions requirements may transfer up to thirty (30) semester hours of work from an accredited institution (or, with approval by the Admissions Committee, from an institution not regionally accredited but recognized by regionally accredited colleges and universities in the state where it is located or accredited by organizations recognized by the CHEA) toward the requirements of the Bachelor of Arts in Religion degree or the Associate of Divinity degree, if the courses are considered equivalent in level, content, and quality to those offered at BMATS and satisfy program requirements, and if an official transcript can be supplied showing a grade of "C" or above for each course that is transferred. Credits earned from courses where a letter grade of "D" is received may not be transferred.

GRADUATE ADMISSIONS

Normally, applicants for admission to master's studies are required to have a baccalaureate degree from a regionally accredited college, or a college accredited by organizations recognized by the Council for Higher Education Association, with a minimum 2.5 grade point average. Provisional admission may be granted to applicants who do not have a baccalaureate degree, but who have completed a minimum of 100 semester hours of college work (including 75 hours in liberal arts courses), with the stipulation that no more than one-third of the requirements for a master's degree may be completed before their bachelor's requirements have been completed. Class size is limited to no more than 20% and program size is limited to no more than 10% of enrollment by students without the baccalaureate degree.

Students who are enrolled in the Bachelor of Arts in Religion program will be permitted to enroll concurrently in B.A.R. and master's level courses after they have satisfied the 100-hour prerequisite. The one-third of a master's degree limit is also applicable to these students. Applicants who do not have a grade point average of 2.5 may be admitted by the Admissions Committee on a probationary basis. Students who do not attain a 2.5 grade point average during the first semester of studies (the probationary period) and maintain a minimum 2.5 average throughout the program of studies are discontinued.

Transfer: Applicants who meet the graduate admissions requirements may transfer up to fifteen (15) semester hours of work from an accredited institution (organizations recognized by CHEA) toward the requirements of the Master of Arts (Pastoral Theology) or the Master of Arts (Religion) degrees, twenty-seven (27) semester hours toward the Master of Arts in Church Ministries degree, or forty-two (42) semester hours toward the Master of Divinity degree, if the courses are considered equivalent in level, content, and quality to those offered at BMATS, are less than ten years old, and satisfy program requirements, and if an official transcript can be supplied showing a grade of "C" or above for each course that is transferred. Credits earned where a letter grade of "D" is received may not be transferred.

PRE-SEMINARY STUDY

Due to the different ministries which demand a variety of patterns for pre-theological studies, it is not feasible to prescribe one pattern as normative for all pre-seminary education. Evidence suggests, however, that a student who has acquired a broad liberal arts background is more adequately prepared for the specialized studies of a seminary curriculum. The person who is anticipating entering seminary for master's (professional) studies should obtain a general understanding of human existence, social institutions and problems, culture and religion, science and technology, the processes of reason and understanding, fine arts, language, and literature.

SPECIAL STUDENTS

Applicants who qualify for admission, who will take only a limited number of courses to fulfill requirements for other institutions, are classified as "special" students.

SHORT AND SPECIAL COURSES

Some courses are open to all, regardless of previous academic training. Students who enroll for credit in any course must declare the level at which they desire to receive credit at the time of enrollment.

FEES AND EXPENSES

Thanks to the generosity of many individuals and churches, expenses at the seminary are kept at a minimum. The seminary endeavors to offer training to any worthy person, but there are necessary items of expense.

Regularly charged expenses:

1. Tuition—\$220.00 per semester hour
2. Matriculation/Registration Fee—\$30.00 per semester
3. Library Fee—\$45.00 per semester for all regular students enrolling in the seminary
4. Audit Fee—\$220.00 per course
5. Payment Plan Fee—\$20.00 per payment plan

Expenses for particular courses:

2. Laboratory Fee—\$35.00 per course
3. Directed Studies Fee—\$220.00 per course
4. Internship/Supervised Ministry Fee—\$220.00 per course

Occasionally charged fees:

2. Late Registration Fee—\$110.00 (for students who register after the dates specified in the Academic Calendar at the front of this catalog)
3. Add/Drop Fee—\$20.00 per course
4. Late Payment Fee—\$10.00
5. Moodle Reinstatement Fee—\$15.00 per reinstatement
6. Incomplete Fee—\$220.00 per course for students who receive an incomplete grade for a course and complete course requirements during the following semester. The fee is posted automatically.
7. Advanced Standing Fee—\$220.00 per course
8. Graduation Fee—graduating students are only charged the seminary's cost for items required for graduation. As these costs vary from year to year, the graduation fee cannot be calculated until the semester of graduation. The fee in previous years has averaged around \$70.

Students are responsible for the payment of all tuition and fees for their education. Refunds are only offered for tuition. All fees, including audit fees, are non-refundable.

REFUND OF TUITION

All withdrawals from specific classes or the seminary must begin with the Dean's Office. Refer to the section below entitled Classes and Regulations for the method of officially withdrawing. Any seminary student who officially withdraws during a regular semester (fall, spring, or summer online) will receive a refund on tuition according to the following schedule:

FINANCIAL ASSISTANCE

The purpose of student financial aid is to assist students to attend school so that they might acquire a seminary education. This economic assistance may come directly from the Seminary or from some other source and may be in the form of scholarships, grants, loans, or a combination of any of these programs. Any student who qualifies for enrollment in the Seminary is eligible to apply for an academic or work scholarship. Scholarships will be awarded on the basis of individual student need and the availability of funds. Seminary endowments are provided by generous donors for general or specified expenses of the Seminary. Endowments, including those designated for student scholarships, are perpetual working funds, the principal of which is never spent.

Veteran's Administration. The Seminary has approved programs for students who receive educational assistance allowances from the Veteran's Administration. Veteran students must provide the seminary with a certificate of eligibility for entitlement to educational assistance under Chapter 31 or 33 prior to initial registration.

Pell Grants. Undergraduate students (B.A.R. and A.Div.) who have need of assistance in order to continue their education may make application for a Pell Grant. Information on these programs is available through the Academic Dean's Office. Pell Grants are normally disbursed near October 1 and March 1.

Student Loans. Both undergraduate and graduate students who have need of assistance to continue their education may make application for a student loan at www.fafsa.gov and at www.studentloans.gov. Students must complete items at both sites as well as a Loan Request Verification form from the Dean's Office. Loan limits apply per a student's degree, cost of attendance, unmet financial need, and year of study. Loans are normally disbursed in four payments (two per semester).

To avoid personal payment of tuition, students who have made application for a Pell Grant or student loan through www.fafsa.gov must have all forms and necessary items submitted before the beginning of a particular semester.

ACADEMIC EVALUATION TO ENSURE SATISFACTORY ACADEMIC PROGRESS

In compliance with Title IV (Pell, loans) regulations the seminary registrar's office will review transcripts at least at the end each spring semester to insure satisfactory academic progress (SAP). Determining SAP includes both attempted and completed hours. A student's lack of SAP will result in his or her placement on academic probation. A student who has been dismissed for academic reasons is ineligible to apply for financial aid for at least one semester after reinstatement to the school. Other than the MDiv, a three-year program of study, each seminary degree is a two-year program of study. The seminary intends for academic evaluation to ensure that graduating students possess the minimal GPA and that they have met SAP requirements throughout their programs of study. Particular attention is given to MDiv students upon completion of their second year.

Academic Pace Requirements. Each degree plan identifies the program's length by years and actual number of semester hours. Program length assumes full-time study throughout the program. Students with loans must be enrolled at least half-time or risk ineligibility for that semester. Students may be eligible in following semesters if a sufficient number of hours are taken to meet the one-half time average enrollment requirement. Master of Divinity students receiving federal student aid

must complete all degree program requirements within four and a half years of their initial enrollment in the program of studies (150% of the published length). Students receiving federal student aid in any other degree program, graduate or undergraduate, must complete all degree program requirements within three years of their initial enrollment in the program of studies (150% of the published length). Students may take longer to complete a degree, but federal funds are only available for these periods of time. The seminary calculates the progressive pace of a student's completion by dividing the number of hours a student successfully completed by the cumulative number of hours he or she attempted. Hours comprise all attempted and completed hours including incompletes, withdrawals, repeated courses, and transfer credits. Students not meeting the minimal GPA (2.0 for undergraduates and 2.5 for graduates) or not successfully completing their programs at the required pace will lose eligibility for Title IV assistance.

ACADEMIC DEAN

The Academic Dean of the seminary is in charge of matters pertaining to the student's academic work and program. The student may be referred to a faculty advisor from time to time, but in all matters pertaining to academic work, the student reports to the Academic Dean. The following matters **require** the Academic Dean's approval:

1. Withdrawal from the seminary.
2. Change in schedule.
3. Curriculum requirements.
4. Graduation requirements.

DEAN'S HONOR ROLL

The Dean's Honor Roll will consist of students who have at least a 3.5 grade point average and do not have a letter grade below "B." In order for a student to qualify for the Dean's Honor Roll, he/she must be enrolled in at least four courses.

CLASSES AND REGULATIONS

The regular school year is divided into two semesters (fall and spring) of fifteen weeks each. Concentrated studies are scheduled during the summer months and in January. Usually, during the fall and spring, one week in each semester is devoted to examinations. After each semester, the Registrar's Office uses an online student information system to inform each student of his/her academic progress, including grades. Students in good standing may access their cumulative grades at anytime via the online student information system.

If an undergraduate student's grade point average falls below 2.0 "C," or if a graduate student's grade point average falls below 2.5 "C+," he/she will be placed on probation for the next semester. At the completion of this probationary semester, he/she will be discontinued if the grade point average has not been raised to the minimum required.

Classes normally are held three days per week (Monday, Tuesday, and Thursday) with each class meeting three hours per week. Online classes include assigned weekly participation. In January and during the summer months classes are also offered online or in a Motion format that allows students to combine online studies with intensive on-campus meetings. Students complete assignments online before and after attending class meetings on campus.

Twelve (12) semester hours of study are considered a full-time load for undergraduate students. Nine (9) semester hours of study are considered a full-time load for graduate students. Undergraduate students are allowed a maximum of eighteen (18) hours per semester and graduate students are allowed a maximum of fifteen (15) hours per semester. Regarding the maximum number of

hours, this includes classes taken previously with incomplete grades.

Students are able to audit classes without receiving course credit and will not be required to take exams or conduct research. With permission of the professor, auditors may participate more fully in class activities. Class size is limited to less than 20% auditors.

In keeping with Christian character, students are expected to attend all class sessions of courses for which they are registered, participate in class discussions, attend chapel regularly, and avail themselves of other opportunities for academic and spiritual enrichment while they are on campus. Tardies or absences from class or chapel may result in a reduction of the final grade a student may receive in a particular course. A student who misses more than one-fourth of the classes for any course or fails to participate in one-fourth of assignments in online courses, without extenuating circumstances, as determined by the professor, will receive an automatic “F” for the course.

Normally, for unexcused absence from a regularly appointed test or examination, five points will be deducted from the class grade for the semester. Three tardies are equivalent to one absence. Student grades will be computed on the basis of attitude in class, class recitation, quizzes, and outside work.

GRADING SYSTEM

Grades for seminary work are recorded as follows:

A	91-100%	4 honor points
B	81-90%	3 honor points
C	71-80%	2 honor points
D	61-70%	1 honor point
F	below 61%	no honor points
I	Incomplete	
W	Voluntary dropping a course	
WP	Voluntary withdrawal while passing	
WF	Voluntary withdrawal while failing	
AW	Administrative withdrawal	

DROPS AND WITHDRAWALS

Dropping or withdrawing from any course, or withdrawing from the seminary, requires approval of the Academic Dean. However, students are encouraged to consult with the professor before dropping or withdrawing from a course. A student may withdraw from or drop any class during the first five weeks of the course. This means courses that are dropped will appear on a student’s transcript as a “W.” All financial obligations will remain per the tuition refund policy. The student may withdraw from the sixth through tenth weeks and receive a “WP” (Withdrew Passing) or “WF” (Withdrew Failing) on the student’s transcript. Withdrawal after this date, without reason of a serious illness or similar emergency that occurs after the withdrawal deadline, will result in receiving an “F.”

Students may be administratively withdrawn (AW) from a course due to lack of attendance, or non-participation in online classes, or other violations of academic policy. Although professors will initiate such withdrawals, students are not relieved of their financial obligations to the seminary, will not be eligible for tuition refunds, and may face reductions in financial aid. Students may appeal administrative withdrawals per the appeal policy stated in the Student Handbook. Grade implications will comply with the current policies related to withdrawals (no grade penalty during weeks six to ten; an automatic “F” following the tenth week).

INCOMPLETE GRADES

The grade of “I” (incomplete) will be given for failure to complete course requirements only on approval of the professor. It is the student’s responsibility to seek this approval prior to the time grades

for the semester are officially recorded. It is the student's responsibility to complete the required assignments for the course prior to the end of the next semester. All incomplete grades that are not removed by the end of the next semester will automatically become "F." An incomplete grade fee (one hour of tuition) will be charged to the student automatically. If the student completes the course work after receiving an "I," his or her final grade will ordinarily be lowered by one letter.

REPEATING COURSES

Students who wish to improve their grade point average may retake a particular course with the understanding that all courses taken for credit will appear on their transcript. The hours and grade points from the last time the course is taken will be used for computing the student's overall grade point average, but may not be used to qualify for honors.

ADVANCED STANDING

In order to qualify for advanced standing credit, a student must be approved on an individual basis and meet all of the criteria listed below. Permission to apply for this credit will be granted to students who are seeking a master's degree at BMATS, who have completed within the **last ten years** their undergraduate or graduate studies at an accredited Christian college or seminary, or a regionally recognized school where equivalent courses were taught.

Qualifying students who possess a relevant undergraduate degree may be approved for up to six semester hours of credit toward the Master of Arts in Church Ministries degree or up to nine semester hours toward the Master of Divinity degree. Qualifying students already possessing a seminary graduate degree may be approved for up to six semester hours of credit towards the Master of Arts (Pastoral Theology) or the Master of Arts (Religion). ATS standards allow schools to grant Advanced Standing after a student has proved the ability to pass the course. BMA Seminary determines such ability by a student's ability to pass the subsequent course. For example, students receiving advance standing credit for Greek Grammar demonstrate their ability by passing Greek translation or exegesis courses. Inability to complete the subsequent course voids the granting of advanced standing credit.

Criteria:

1. Only third and fourth year-level undergraduate courses or graduate-level courses may be considered for possible application to advanced standing.
2. The student must have made a "B" or above in each course considered for advanced standing credit.
3. Application for such credit will be permitted after the student has completed at least one semester's work (i.e., 9 semester hours of master's studies) at BMATS.
4. Credit will be allowed only in a field where the student under consideration makes a "B" or above during the first semester of studies at BMATS.
5. Students applying for advanced standing who are also transferring graduate credit from another institution are subject to limitations. The total number of credit hours received by both transfer credit and advanced standing may not exceed the limits specified on p. 34 of this catalog. The courses which comprise a degree used to apply for advanced standing are not eligible to be transferred.
6. Credit will be applied to the master's transcript only after all other degree requirements have been satisfied (i.e., credit may not be applied prior to the last semester of master's studies at BMATS). A fee equal to one hour of tuition will be charged per course to the student at the time the credit is placed on the transcript.

DIRECTED STUDY

With special approval of the Academic Dean and the professor, an undergraduate student may take an individual study course after he or she has completed 39 hours of studies. Only one such course per semester may be taken (an exception to this rule may be made during the semester of graduation). Potentially, directed study courses are immediately available to graduate students.

CONDUCT

The very nature of Baptist Missionary Association Theological Seminary dictates the acceptance of high quality students for enrollment in the school. The primary rule of conduct is embraced in the word “Christian,” especially as it is in accordance with the Bible’s principles and consistent with the Doctrinal Statement of the Baptist Missionary Association of America. The rules delineated in the “Student Handbook and Apartment Regulations” are considered a part of the student conduct requirements. A student is subject to discipline, including suspension and expulsion, if in the judgment of the administration and faculty his or her conduct is out of harmony with the interests of the seminary and the principles of the Baptist Missionary Association of America. A student who has been suspended or dismissed due to misconduct may reapply to the seminary, and his or her case will be studied by the appropriate admissions or appeals committee.

STUDENT HOUSING

The seminary has several housing units which rent for a moderate cost per month. Reservations for apartments should be received at least six months prior to registration accompanied by a reservation and breakage deposit equal to one month’s rent. The deposit will be returned to the renter after the apartment keys are returned and the Business Manager has inspected the apartment and has found everything in order. All rent is payable one month in advance. Requests for information about rental fees and deposits should be directed to the Business Manager. Although every effort is made to keep rent as affordable as possible, it may be changed if deemed necessary by the seminary administration. If a change becomes necessary, renters will be notified at least 30 days prior to the change.

GRADUATION

Requirements: Students must satisfactorily complete all of the program requirements with a minimum grade point average of 2.0 for undergraduate degrees and 2.5 for graduate degrees, satisfy the program’s residency requirements, pay the necessary fees, be current in all financial obligations, and give evidence of Christian character in order to qualify for graduation. A student may graduate under the provisions of the catalog of the year of his/her initial enrollment, or under the requirements of the current catalog at the time of application for graduation.

Honors: In order to qualify for honors, students must have at least a 3.5 grade point average, without a letter grade below “B” on their transcript. All of the credits pertaining to a particular degree program must be considered in determining eligibility for honors. In the event courses have been retaken for the purpose of improving the grade point average, the higher grades will be used in computing the GPA, but may not be used to qualify for honors.

Transfer students must complete at least 50% of their course work at Baptist Missionary Association Theological Seminary, and meet all other qualifications, to be eligible to graduate with honors.

DEGREE PROGRAMS

Graduate students may take courses at Baptist Missionary Association Theological Seminary leading to the degrees of Master of Divinity (M.Div.), Master of Arts in Church Ministries (M.A.C.M.), Master of Arts (Pastoral Theology) (M.A.P.T.), and Master of Arts (Religion) (M.A.R.). Undergraduate students may take courses leading to the degrees of Bachelor of Arts in Religion (B.A.R.), and Associate of Divinity (A.Div.; **NOTE:** The Associate of Divinity degree is terminal and does not entirely provide a foundation for bachelor's or master's studies). Students may also take studies leading to special certificates. Specific requirements for these certificates are delineated below.

A specially designed tri-level curriculum assures students of maximum benefit from each degree program. Level I courses (numbered 100-200) are structured to meet the needs of Associate of Divinity students. Level II courses (numbered 300-400) are designed for students in Bachelor of Arts in Religion studies, but a limited number of these courses may be taken by associate and master's students. Master's students enrolled in Level II courses are required to perform advanced study and/or research to ensure equivalency of graduate level learning. Level III courses (numbered 500-600) are for master's students only.

Each student is responsible for seeing that he or she takes the necessary courses to fulfill his or her program requirements.

DEGREE PROGRAM OBJECTIVES

The objectives of the degree programs are to enable the student to:

1. receive theoretical and practical education which will afford preparation for ministry in the field of his/her calling.
2. develop an attitude of commitment to God and professional dedication toward the service ministries of the church.
3. acquire the skills necessary to minister effectively in the area of his/her specialization.
4. acquire the foundational experience and education necessary for advanced ministerial or doctoral studies in his/her chosen area of service. (Not applicable to the A.Div. student).

COLLEGE LEVEL COMPETENCIES

By the completion of an undergraduate degree program, students are expected to demonstrate competence in the following general education areas:

1. the ability to communicate effectively in oral communication.
2. the ability to communicate clearly and effectively through writing.
3. the ability to analyze and evaluate data and information through critical thinking.
4. the ability to perform independent and competent research.
5. the ability to interact with others both professionally and socially.

TIME LIMITATION

Graduate students must complete all program degree requirements within seven (7) years of their initial enrollment in a particular program of studies. Credits that meet the requirements of a particular degree program, satisfy the minimum grade requirement (“C”), are not more than ten years old, and do not exceed transfer limitations may be applied toward degree requirements. Credits that are in excess of ten years old may not be applied toward a master’s degree.

ADVANCED GRADUATE STUDIES

Students who have earned the Bachelor of Arts in Religion at BMA Seminary and then choose to pursue a master’s degree at BMA Seminary may take advanced courses in lieu of certain courses required in a particular master’s degree program. Courses which may be replaced with advanced courses in the same field are (not all courses apply to all master’s degree programs):

- EV 512 Biblical Evangelism and Disciple-Making
- PM 511 Pastoral Ministry
- PM 514 Principles of Disciple-Making
- PM 517 Theology of Discipleship
- PM 521 Theology of Worship
- PR 511 Expository Preaching
- PR 611 Homiletics
- RE 511 Principles of Church Administration
- TH 511 Systematic Theology I

The Dean determines which courses a particular student is eligible to replace with advanced courses in the same field. A student’s demonstrated proficiency in a particular subject at the undergraduate level is prerequisite for eligibility to take advanced courses in the same subject at the graduate level. These advanced courses are in addition to any Advanced Standing credits that a student may be eligible to receive in the M.Div. and M.A.C.M. degree programs (see page 39).

Potentially, graduate students who have a bachelor’s degree in religion or equivalent from another institution may also be eligible to take some advanced courses in lieu of certain required courses. The determination of eligibility for such advanced courses is made by the Dean in consultation with the faculty.

A SECOND MASTER’S DEGREE

Students who have earned one master’s degree at BMA Seminary may work toward a second master’s degree. Acceptance into another seminary degree program must be approved by the faculty. Students who wish to follow this course for earning a second master’s degree should consult with the Dean’s Office. The following guidelines will be used in determining the necessary work for the second degree:

1. Every student will meet all residence requirements.
2. The Dean will determine, on the basis of individual needs and background, what specific courses are required for the second degree.
3. The completion of the seminary’s Master of Arts in Church Ministries and another M.A. degree from the seminary will require a total of 96 hours. The completion of the Seminary’s Master of Divinity degree and an additional degree will require a minimum of 120 hours.

UNDERGRADUATE DEGREES

BACHELOR OF ARTS IN RELIGION (B.A.R.)

The Bachelor of Arts in Religion degree program is a two-year (66 semester hours) program of studies predicated upon an Associate of Arts degree or the equivalent (a minimum of 60 semester hours). Criteria for A.A. equivalency must include: six hours in religion or social science, six hours in government, nine hours in English, six hours in history, six hours either in modern foreign language or in science, three hours in math or natural science.

This program is designed to supplement and strengthen the broad liberal arts foundation achieved in Associate of Arts studies. The curriculum is structured to provide a sound academic base for advanced studies on the Master of Arts or Master of Divinity level. By focusing on foundational religious subjects, the program also affords adequate preparation for a leadership role in certain fields of Christian ministry. By selecting a concentration in two of the four fields of the seminary curriculum (Biblical Studies, Theological-Historical Studies, Church Ministries, Christian Education) the student may specialize in chosen academic and/or professional fields.

The candidate for the Bachelor of Arts in Religion degree must earn a minimum of thirty-six semester hours through BMA Seminary.

Students may earn the Bachelor of Arts in Religion degree by taking semester-length courses on-line or on the Jacksonville, Texas campus. In addition, some courses for this degree can be taken in intensive on-campus (Motion) classes.

PROGRAM OUTCOMES

Upon satisfactory completion of the Bachelor of Arts in Religion degree program the graduate should be able to accomplish the following objectives:

1. perform competently in advanced studies on the master's level.
2. function effectively in the various support roles required in Christian ministry.
3. apply leadership skills in the various support roles of Christian ministry.
4. minister on an adequate level as a pastor or associate pastor.
5. understand, apply, and communicate fundamental biblical and theological truths in the context of Christian ministry.

VOCATIONAL OBJECTIVES

The Bachelor of Arts in Religion program is designed primarily to prepare the student for advanced studies in the various fields of Christian ministry. Some students, however, find the program to be sufficiently specialized to provide adequate preparation for entry level leadership in certain fields of Christian ministry. The program is recommended for those who are planning to serve in any of the following ministries:

- Minister of Youth
- Minister of Christian Education
- Minister of Outreach/Disciple-Making
- Minister of Evangelism
